

The Malissa Mercer Memorial Scholarship Fund

The Malissa Mercer Memorial Scholarship was established in 2008 and is dedicated to the memory of a vibrant young lady whose passion for life was contagious. Family, friends and colleagues remember Malissa as someone who put others first, was dedicated to helping others through her career in EMS, and exhibited great compassion and leadership.

Malissa's life was cut short when she was killed in a car accident on her way to work at Mobile Medical Response, where she was employed as an Emergency Medical Technician – a career she deeply loved.

This scholarship was created so that like minded individuals could pursue a career in EMS.
